Subject: Indiana Council of Administrators of Special Education – Educator Preparation Provider

The Indiana Council of Administrators of Special Education (ICASE) is seeking final approval to serve as a new non-higher education preparation provider by offering a non-credit, hour-based transition to teaching program. Per 511 IAC 10.1-3-7, Sec. 7, (a), a non-higher education entity may be approved to offer a course of study via the transition to teaching route only.

After reviewing all feedback received from reviewers, and pursuant to 511 IAC 13-1-1, Sec. 1, (d), the Indiana Department of Education (IDOE) recommends that the Indiana State Board of Education approve the following new program/provider for an initial period of three years:

- **Indiana Council of Administrators of Special Education – Educator Preparation Provider**

IDOE will continue to monitor the progress of the above program by reviewing all annual reports required of ICASE, including candidate performance data submitted for national accreditation purposes.
